ALL WEATHER MASTERGREEN BOWLING SURFACE

Affiliated to BOWLS DEVON.

## Have you ever thought about taking up the sport of Bowling ?

Here in Ipplepen we are so lucky to have a friendly Bowling Club, which is always more than happy to welcome new members.

We have an outdoor carpeted green which allows us to play all year round.

Come along to the Clubhouse on a Tuesday or Friday morning between 9am and 9.30 to sign-in, meet other bowlers and you are then assured of a game. Matches are played from 9.45am to 12.30.

If to begin you would just like a little “roll up” with an experienced bowler, then we can arrange for someone to come and play with you, and give you some advice one-to-one, so you will not be embarrassed

Still interested? then come along to the Clubhouse as mentioned above, or for further information contact either :
